Sorry to be slow in forwarding this...

Below is my correspondence with Joe G. on Gov Herbert's letter. I just got off the phone with Joe, and we agreed on strategy for responding to Gov. Herbert. I will coordinate with Mark Rupp and give Alan Matheson a call to discuss Gov's letter and where we are in the process of the FIP.

Thanks Joe. I had not seen that letter but the Governor made this ask of me on a recent call we had together with industry reps. I said we would coordinate additionally after the draft FIP was proposed. We did some preliminary outreach prior to drafting the FIP. I think Gov wants the process to be such that they would be more involved in the front end drafting the FIP.

Apologies if this is already on your all's radar screens, but at the very least since the FIP is in OP in preparation for transmission to OMB, I wanted to make sure we were all aware.
Thanks.
